

FUNERAL PLANNING MADE SIMPLE

Information For Pre-Arranged Funeral

The following information is collected and held on file at the funeral home and is part of good preplanning. The information is used for two key purposes. First, it is required in order to apply for a burial permit or authorization to cremate. Second, we will use the information to write a death notice when the time comes. We recommend everyone complete this information form and print it. You can put it with your personal papers or bring it to the funeral home when you meet with us to make your pre-arrangements.
